You've agreed to participate in Challenge 150. Now what?

Now you simply keep track of your time spent in service. Mark down the date of service, the number of hours and activity description. And let us know how you are doing! We want to celebrate with you as you achieve your service benchmarks. Once a month send an email to Kirsten Tangeros at kirsten3204@mindspring.com with an update of your service hours. At the end of each month, any service warrior reaching their 50, 100 or 150 benchmarks will receive special recognition during the last church service of the month. Let's show everyone how good we look in service at FCCDP!
